### **Company Overview**

Burren Animal Rescue's main reason for being is to help Rescue, Rehabilitate & Rehome animals who find themselves abandoned, neglected and/or cruelly treated. Their motto is "Quality Not Quantity" - every animal that comes into our care deserves to receive the full attention they require in order to reach the stage of 'Ready for Rehoming'.

Burren Animal Rescue is operated on a 100% Not For Profit basis so all funds donated/generated are used entirely for the benefit of the animals. They have no paid staff - everything done is on a total voluntary basis.
